MAY 2017

ART SHOWCASE DAY AND SO MUCH MORE!

We are all a piece of art in God's eyes.

One of our highlights this month was attending the Art Showcase! We were able to make a wonderful day of our outing and it turned into a glorious

mini field trip. After viewing all of the Interlake

Students' magnificent artwork we went for a picnic lunch at Quarry Park where we explored nature to the fullest. After a mouth-watering lunch, we hiked the winding treed trails to our hearts content. We dipped our toes in the refreshing pond and found some slithery

critters. After some discussion, we decided nobody wanted to donate their blood to keep a leech as a class pet! So although we left empty

handed, we gained many fond memories.

With our tummies full and our legs well exercised, we boarded the vehicles to go off on our next adventure at the Stonewall Library. As it was Day of Kindness, we were read a loving story to remind us of the power of kindness. The students were then taught some origami and

created a heart bookmark as a reminder to always act with kindness. We then traveled to many faraway lands through books. We

were all very excited to sign out a few of the special treasures that we found. With sleepy little

hearts we headed back home to Concord Colony.

AT SCHOOL

Busy as bees!

In addition to our regular work, the students have a few assignments, in which they are very engaged. The kindergarten and grade ones have been learning about plants and trees. They have been quite the little gardeners and are excited to explore all of the nature blooming and growing around us. Meanwhile, the Grade two to five students have dived into their Inquiry Projects, learning about various people and places in Canada. The Hatchet novel has captivated the Grade six to eight students. In addition, our high school students are creating a scrapbook for their 'Dream Vacation'.

What would May be without our annual Mother's Day Tea? The Mothers enjoyed the delectable baking served to them by their precious children adorned with smiles from ear to ear.
