Gun Safety Presentation

On Monday, April 16th Retired RCMP Officer Pat Olson came to Sturgeon Creek to do a Gun Safety Presentation. We had over 80 people in attendance from both Sturgeon Creek and Meadow Lane Colonies. Officer Olson let the community members ask questions for about an hour. Many topics were covered and students, parents, and community members learned a lot about using a gun safely, the responsibility of owning and using a gun with proper licensing, and storing of guns in a safe and responsible way. Officer Olson left information for parents and business cards for colony member to be able to contact him for further information. The Staff of Kelsey School appreciate him coming and talking about such an important matter with us!

Mother's Day Painting

On Friday, May 25th in the afternoon, Mrs. Margetts will be joining us to share in an afternoon of painting with the School Moms! We will have time to paint, share in some conversation, and have treats!

Dates to Remember:

- May 10th - No School -Religious Holiday
