|  <p>Did you know that we have the MOST dedicated students? <b>Ethan</b> definitely deserves a HIGH 5 this month for his hard work getting caught up in all of his subjects. This required extra time at school on weekends AND in the evenings. He never even complained about having to spend extra time with Ms. O! <b>Sophia</b> blew our socks off this month when she counted to 100...all by herself! <b>Jayme</b> &amp; <b>Dorothy</b> are 2 incredibly focused students! They work extremely hard to complete assignments to the best of their abilities! We're proud of you, girls!</p>  |  |   |  |   |   |   |
