**High Five:** It's hard to believe that we are already into MAY! You'll be astounded with the leaps and bounds our students have been making! Avian deserves a HUGE HIGH 5 for his incredible reading skills! He will blow you away with how well he can navigate through a book! We can't forget our new munchkin...Ashley. She has been so eager to come to school to get a head start at Kindergarten. Learning her ABC's and 123's has been fun so give her a thumbs up when you see her. We definitely can't forget to mention our little fish...WAY to GO! You guys all make swimming look so easy & thanks for entertaining us on the bus!
