

Mallard's May Newsletter

Summer weather and the final weeks of school are upon us. The students are continuing to work hard in school!

As we wrap up our learning, expect high school students to be bringing work home in order to complete all work by mid June.

We have a number of events and projects on the go:

- writing books and tributes to accompany our parents' day celebration
- creating a blueprint of the school building with furniture (as there will be some building additions happening over the summer!)
- learning swimming skills at our weekly swimming lessons (our final lesson will be on June 7)
- improving our musical skills during lessons with Clint (please check in with your child(ren) to ensure practice is happening, as all of Clint's music students will be performing at our year end celebration)
- practicing for track and field (K-4 track and field will be held at Wingham on June 5 and grades 5-12 track and field will be held at Good Hope on June 12)

Please take note of the following upcoming events:

June 6 (tentative date) - All Keystone Colony members are invited to join us on Wednesday June 6 at 2:00 at the kitchen for our Colony Café in celebration of Mother's and Father's Day. Please join us for a light snack and games.

June 5 and June 12 - Our students are once again participating in track and field. Students in grades K-4 will be competing at Wingham on June 5. Students in grades 5-12 will be competing at Good Hope on June 12. A thank you in advance to all adults who volunteer to drive and supervise!

June 7 - This will be our final swimming lesson of the year and our final Bookmobile (all books need to be returned on this date). Thank you to everyone who has helped supervise and drive our group.

June 14 - Triad Conferences will be held on June 14. Schedules/information will be sent home at a later date.

June 15 - There will NOT be school in the afternoon of this day due to meetings.

June 18 - There will NOT be school at all this day as it is a professional development day for staff.

June 22 - The students are eagerly anticipating this year's field trip to Winkler Bible Camp. We will be using a divisional bus for the trip, which will pick students, staff and supervisors up at the school at 8:15 am. We will be at Winkler Bible Camp from 10:00-3:00 (with an hour for lunch from 12-1). We will be stopping at a park in Carman on our way home to have supper. A space to have a fire will be available for our group. We will return back to the school by 7:30 pm. We have space for 8 supervisors from the colony.

June 27 - Please join us at the school for our year end celebration of learning! We will take time to celebrate student accomplishments over the year, recognize our graduating student, say farewells to departing staff, and enjoy a performance orchestrated by Clint Duotimo.
