

### Mrs. Mazurat's Message:

The birds are singing, the sun is shining and the students and teachers at Meadow Lane School are working like busy bees! We have a month filled with fun activities ahead of us.

The students and staff are going to be attending the Divisional Art show on the 5<sup>th</sup> of May. Each student has chosen a piece of art that they have completed over the last 2 years of school, and it will be displayed at the Stonewall Legion beginning next week. If any parents are wishing to attend with the school, please contact the school by Wednesday. We would love you to join us; we just need to arrange for rides!

During your Easter celebrations, all the Hutterian teachers in the school division gathered to discuss our school goals for the past year. We reflected on our successes and the goals we have not met yet. Meadow Lane School students and students have worked hard at creating a positive and respectful learning environment. Students have demonstrated self-discipline and respect, and occurrences of Bottom Line Behaviours has been lower than last year. We have also made positive progress in our Literacy and Numeracy goals for this year. We will continue to work towards these goals throughout the next 11 weeks. Please keep your eye open for the report to the community at the end of the year! 😊

I would like to thank all the people who have been involved in the Workplace Health and Safety Inspections, and the building code inspections. I am aware of the commitment that it takes. I appreciate the fact that you have taken your time to make sure that the school is a safe place for your children and teachers.

Ladies, please mark your calendars for our Mother's Day Tea!- We are also looking forward to having Painter Paul come back to do a summer paint project with the students!

Happy Spring!
