

Meadow Lane June Newsletter

A Note from the Teacher

This last term has gone by faster than I would have liked. I would like to thank the parents and students for their concern while I was away during the months of May and June. The students were welcoming and respectful towards the substitutes in the school, and I received wonderful reports about each of them! ☺

The students have worked hard this year and are definitely ready for a break, as are the teachers! This year, as you all know, Mrs. Slagerman is taking a more permanent break, as she has decided to retire! She has been an integral part of the Meadow Lane School Teaching Team, and she has helped to create a safe and welcoming school for staff and students. I have had the pleasure of working with her for the last 7 years, and she is much more than an E.A. to me and to the students. Mrs. Slagerman is a natural teacher, a wonderful co-worker and most of all an amazing friend. Her warm and caring spirit as well as her dedication to your children's education and well-being will be missed greatly. Luckily, for us, she has agreed to come back for frequent visits, and to sub for us when needed. I would like to wish Mrs. Slagerman a long, happy and healthy retirement! Remember- When you get tired of golfing, we would always love a visit! ☺

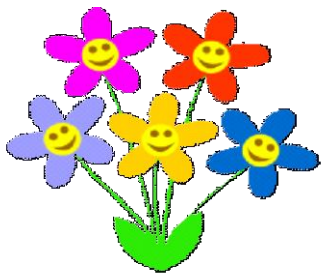

While we are saying, "See you later"- to Mrs. Slagerman this month, we will be welcoming a new E.A to Meadow Lane in September. Ms. Horobetz will be our new E.A and her first official day is Sept.6th. I have had the pleasure of meeting her, and she is looking forward to her new position here in September. Ms. Horobetz is coming to us from Rosser School where she worked in an Early Years classroom. She is excited to meet the children and community members in September. I am expecting the staff and students to make a smooth transition, and that next year will be another wonderful year at Meadow Lane!

However, for now, summer break is on all of our minds! I would like to thank all parents and community members for their support this year. Your support is essential to the students' success, and it is nice to know that community members value our work. I hope that everyone has a chance to relax a little and enjoy the summer vacation! Have a safe and happy break! I look forward to seeing you all in September!
