

Meadow Lane June 2018 Newsletter

Child Development Presentation

On May 3rd Mrs. Coolidge gave a child development presentation to the mothers of the colony. She shared information about the stages of development and what milestones children achieve between certain age ranges. Mrs. Coolidge also discussed readiness for school and what parents can do with their children to help them learn their numbers and letters to be prepared for kindergarten. It was a very informative lesson enjoyed by all. We look forward to future presentations by Mrs. Coolidge.

Bookmobile

The final bookmobile visit for this year will be on June. 7th. Mrs. Palcat will be collecting all of the books that have been checked out. We have appreciated having the bookmobile come to the colony. The children greatly enjoy the varied selection of books that Mrs. Palcat offers and have chosen a variety of genres. Thank you very much Mrs. Palcat for all that you do. We look forward to seeing you again in September.

Mother's Day Tea

Our mother's day tea was a great success and enjoyed by all. The children were very excited and spent the morning preparing snacks and drinks for their mothers. They made three types of rolled sandwiches with fillings of ham,

cucumber, and strawberry creamcheese with pickle. They also made rice krispie squares with chocolate drizzle, and fresh fruit with skor dip. The children served their mothers and also offered a variety of tea and coffee to drink. The children then recited a poem and sang a song. The tea ended with the children giving the mothers the gifts of bath salts and bath bombs that they had made. It was a wonderful afternoon for all.

In the Classroom

Middle years students are wrapping up their Inuit projects. They have worked hard on them and will be presenting to their peers in the next weeks.

They have also been creating their own math problems based on real life situations.

Paul had a garage sale he
had three Ball each w etc
\$1.15. how much money will he get?

Early years students are completing projects on animals of their choosing. Colin is learning about caterpillars; Tabea is discovering the world of bees; Carrie is engrossed in her exploration of butterflies and Abigail is studying hummingbirds.

Mrs. Fairlie brought a few friends to school for a visit.

Triad conferences

Our final students conferences will be held in June. This is an opportunity for students to share with their parents what they have accomplished throughout the year, and perhaps, some goals for next year.

Father's Day BBQ

The children have chosen to hold a barbeque to celebrate father's day. They have been busy planning a menu and organizing gifts for the fathers. We look forward to hosting you on June 14th.

School Picnic

Our final school event for the year is the school picnic. It will be held on June 27th. We are very excited to be spending the day at Sturgeon Creek, participating in activities organized by the students at Kelsey School.

Dates to Remember

June:
