

MEADOW LANE SCHOOL NEWSLETTER

OCTOBER 2018

Welcome back

Welcome back to school. It's been an interesting and exciting month. We have welcomed new students, Jason, Hadassah and Mara have transferred in; Cayla and Jenna have joined us in kindergarten. We are establishing routines and beginning to think about projects.

Open house

The open house was held on Sept. 26th. The entire Meadow Lane community was invited to a bbq lunch followed by a presentation by the teachers. Lunch was delicious and the parents enjoyed learning what their children will be studying in school and the expectations of their children.

Dress for weather

The weather has turned abruptly from the warmth of summer to the cool and chill of autumn. Please ensure your children are dressed appropriately for the weather. They should be wearing a jacket to school every day.

Positive Role Models

One of our school goals this year is to be positive role models. The younger students look up to the older students and imitate their behaviour. Students are asked to do their best, to be kind, to be respectful, and to speak English at all times.

Home reading

Students are encouraged to read at home every day. Home reading will be assigned to early years students; older students can choose what they reading. Reading every day is imperative to become a proficient reader. Reading at home for a minimum of 10 minutes a day will hugely impact a child's ability to read and comprehend.

Progress conversations

Progress conversations are just around the corner. They will be held the week of October 15th. Students will share their learning with their parents.
