

June News

Hard to believe that this school year is quickly ending. Our students have had many successes this year and have really worked hard. Please keep your calendar close by, as there are many activities going on in the month of June!

Celebration of Learning

You are invited to share in a celebration of your child's learning on June 13th at 2:00. Please come to the school, where you will be able to look at displays of work that the students have completed this year.

Graduation

We will be holding our graduation ceremony on June 20th, starting at 1:00. Please join us as we celebrate this educational milestone with three very deserving students. They have worked hard to get to this stage in their journeys and we encourage them to keep on learning.

"All the world is my school and all humanity is my teacher."

– George Whitman

Field Trip

This year, we will be going bowling and to Assiniboine Park Zoo for our field trip. We are looking forward to seeing a new insect exhibit and learning about animal adaptations! Please make sure your student is dressed appropriately for the weather. We will be outside all afternoon; sunscreen will "hopefully" be required!

Last day of school for this school year will be June 29th. Please note that High School students will be done a week earlier, on June 22nd. They will need to come and pick up their report cards on the 29th.

Thank you for supporting New Haven School. We have had a great year and look forward to seeing you all again after a restful summer break! School resumes on **September 5, 2018.**
