

Though there were certainly days when they may have felt the day would never come, Matthew and Lyndon have graduated!

Rock Lake Colony School held their annual Celebration of Learning on Tuesday, June 27. Each student created a PowerPoint slide to share with the parents something he or she was particularly proud of learning or doing over the past school year.

After a few words from Mrs. Crockatt and Ms. B, the graduates took to the stage to present their speeches. They both spoke eloquently in thanking all the people who helped them achieve this milestone. Diplomas were handed out, tassels were moved, a few tears were shed, and then we had cake!

All of the students should be very proud of what they accomplished this year! Enjoy your well-earned summer holiday, and remember to stay safe!
