

Hello everyone,

This has been an exciting month at WES. With our goal setting night behind us our students are busy learning and working towards their individual learning goals. Reports for the first term go home on December 1<sup>st</sup> and hopefully the goals you set with our teachers and your child have been met with success. The teaching staff at WES have organized the Terry Fox Run, Cross Country Running, and Volleyball which started two weeks ago and we thank them for their efforts. Our 7/8 Girls recently won at a tournament in Gimli, Congratulations girls!

Our Grade 2 and 6 students helped us apply for a playground grant and wrote some persuasive letters that were included in a recent application. On November 9<sup>th</sup> we are asking our community to help support our WEPAC by attending our “Goods and Services Auction” as well as taking a Test-drive. We hope to see you all there. The auction starts at 6pm but you can take a test drive any time between 11am-6pm and we will get \$20 donated to our cause for each test-drive from Selkirk GM.

We held our annual Halloween assembly, parade and Dance yesterday and I was very happy to see all of our students in costume and the many parents who came to celebrate with us.

Recently we had our Second WEPAC movie night, We had 77 people in attendance and we welcome you all to come out on Friday November 17<sup>th</sup> to watch “Cars 3”.

Thank you,  
Chris Gamble

## Ecology Day

On October 2<sup>nd</sup>, the grade 4's of Warren Elementary School celebrated Ecology Day by joining grade 4's from around the division at Oak Hammock Marsh. The students learned about many different aspects of Manitoba nature on this field trip; from the nature walk, that examined some of the vegetation in Manitoba, to the birds of Prey presentation, where they learned about the different types of birds in our Province. The students ended the day with a critter dip in the marsh around Oak Hammock. It was a very educational and fun day for the students.
