

Welcome Back Everyone!

We have had an excellent start here at Warren Elementary and I would like to thank all of our WEPAC members who helped at our open house. Our Next WEPAC meeting will be held on October 16<sup>th</sup> in the WES library at 6pm, we hope to see you there. Our PAC is in the home stretch in fundraising for our playground structure. The First WEPAC Movie Night will be on September 22<sup>nd</sup> and they will be playing “Guardians of the Galaxy” This Movie is rated PG13 and parental accompaniment is mandatory for students under 13 to attend.

This year our big fundraiser will be our “Goods and Services Auction” which will be held in November. As before, our auction will rely on generous donations from our community members and businesses who pledge goods or services to be auctioned off to our community members. Following this year’s auction, we should be very close to our fundraising goal and if successful, we hope to break ground on our new structure in the summer of 2018! In the following weeks we will be sending home signup sheets, please use them to approach your business contacts to ask them for donations towards our action.

This September we welcomed two new teachers to our School, Mrs. Margetts (Grade 3) and Mrs. Clark (Music and French). We have also had an increase in our Resource and Guidance allotment this year, which will be a great benefit to our students. Our School has had a number of improvements completed during the summer months including; new soccer nets, a bottle filling station in the 7/8 hallway, and new flooring in our Kindergarten room.

Our Cross Country season has already begun and our students will be competing in the divisional meet on October 5. The Grade 7/8 Volleyball has started and Mrs. Olson will be coaching the girls and Miss Timmerman and Mr. Gamble will be coaching the boys. Sign-up sheets and schedules will be shared shortly.

Thank you all for a great startup this year, we look forward to working with you and your children to provide them with the best educational experience this year! If you have any questions or concerns please feel free to call us at 204-322-5576 and remember to follow us on Twitter @wesevents
